

Marskalken 2 informs – April 2022

Other work in the apartments during the renovation

You can start other renovation work in the apartment when BMG is done. Proof that BMG is finished is that the lock in the door is changed back again.

Faulty electricity installations

During the BMGs work period have their electricity worker full responsibility the total installation in the apartment and is required to disconnect a faulty installation or repair it. The extra work cost for the repairs done will be debited by Marskalken to the household.

Meeting for status information about the plumbing renovation at 18.30 on April the 12th

A status meeting will be held on April the 12th.

The meeting take place in the meeting room in JEV 42, as well as on Teams. If you have any specific question, please mail it to:

boendefragor@marskalken2.se or put it in the post box at JEV 42.

Note: – this meeting is not discuss specific apartments, handling of material choices and so on.

The purpose is to give an overview of the total process, contract structure and roles before, during and after the project for the board, AFRY, BMG and the households.

Inspection

Current time plan for inspections in the apartments will be posted in the entrances. Households that want to give opinions on the work, please do so in a letter, placed in the kitchen .

New mailadress to the board

To simplify the mail handling regarding questions about the renovations is a new mail address created:

boendefragor@marskalken2.se .

Anyone unsure about the correct person to mail about an issue, please use this address and the mail will be forwarded.

Spring Cleaning : 23 April

A container will be places outside the house to give opportunity to clean out storages.

A visit the shelter rooms in the cellar is planned for those interested.
