

Information from Marskalken 2 September 2023

The fee

These are tough times for the association's finances. We have inflation which causes the cost of electricity, water and heating to rise. The biggest problem, however, is the high interest rate. We have a large loan that will be repaid next year. Even if interest rates were to fall, the current interest rate will multiply..

Cylinder replacement

The change of lock cylinders will be carried out on Tuesday 19/9 and Wednesday 20/9. Everyone should have received two new keys. Keep the old ones until everything is done and tested.

If you have not received new keys, contact the board..

Autumn cleaning with waste container

October 21st 10.00

Concludes as it should with sausage grilling and socializing.

Gathering in the portal 42/44

Annual general meeting

The meeting will be held at Granbackaskolan 2023-11-28.

More information will come with the invitation

NB! Motions to the general meeting must be submitted no later than **2023-10-15**

Contact

The best way to reach the board or someone on the board is email: info@marskalken2.se

If you want the letter printed, contact the board via the link above.

The waste rooms

Access to the general waste rooms will remain available until further notice Tuesdays 18.00--18.30.

The waste rooms are locked but someone from the board will unlock them.

He/she stands at the portal JEV 42/44 As before, papers/newspapers must be left in the JEV 42/44 portal.

Packaging (paper, plastic and metal) must be left in one of the recycling stations in the area.

Food waste must be placed in the food waste room.

In addition, there is the mobile environment station that stands on Solnaplan outside Solna Centrum on Thursdays 5:00 p.m.-5:30 p.m.

Read more at solna.se/mavc.

The election committee

At the annual general meeting, a new board will be elected. The current situation is that only 1 regular and 2 substitutes will remain. We need new board members!

Contact the selection committee if you are interested.
