

# Information from Marskalken 2

## February 2025

### Waste management

- Newspapers should be left in the JEv 42/44 portal as before.
- Packaging (paper, plastic, metal) and textiles should be left in one of the recycling stations in the area.
- Food waste should be left in the food waste room at 42.

Please note that textiles should no longer be treated as residual waste (thrown in the garbage chute) but should be recycled. Stations for this are located by the T-banan and outside Motorborgen.

### New opening hours for waste room

Access to the general waste rooms will be available every even week on Tuesdays 6:00 PM–6:30 PM.

During June, July and August the bulky waste bins will be closed.

If you need to dispose of bulky waste, you can contact the board by email.

### Charging electric scooters

Electric scooters are powered by lithium-ion batteries, the same type of batteries used in phones and computers, and if these start to burn, a toxic gas will be released.

It is important to remember that you should not charge the battery in the hall as it is, as it is an escape route.

Similarly, you should only charge when you are at home and awake. Therefore, you should not charge at night, or even if you are just running down to the COOP or to the laundry room.

### Spring cleaning with container

Planned for May 17  
10:00 – approx. 14:00  
Ends as it should with  
sausage grilling and socializing.

### The power outage 28/1

The outage was due to Vattenfall replacing equipment in the electrical room for 40 and 42. We were prepared for the lighting, elevators and laundry room to be without power.

What we didn't expect was that broadband, intercom and fan control would be affected.

### Marking of storage rooms

For safety reasons, all storage rooms must be marked with apartment numbers.

Format: [staircase]-[apartment number].

Example: 40B-1701.

Residents are responsible for this being set up.

### Items in the hallway

Someone puts things in the hallway JEv 40.

The purpose of this is unknown.

Everything will be discarded immediately.

### Contact

The best way to reach the board or someone on the board is email:
